Dear Avinash,

I hope you are doing well. I am writing to formally announce my resignation from my position as Data Analyst at IBM, effective Last Working Day on 31st May.

This was not an easy decision to make, as I have enjoyed being part of the team and have appreciated the opportunities for professional and personal growth that IBM has provided me. I am grateful for the support, guidance, and camaraderie I've experienced during my time here.

I will do everything I can to ensure a smooth transition over the next 4 weeks. Please let me know how I can assist in transferring my responsibilities or help train a successor.

I wish the team continued success, and I hope our paths will cross again in the future. Thank you again for the opportunity to be a part of IBM.

Best regards,
Altamash Ansari.
